

Spring 2019

Welcome to the Haematology and Transfusion Scotland Network Spring newsletter. This edition will summarise the work that HaTS has undertaken or been involved in recently.

First Meeting

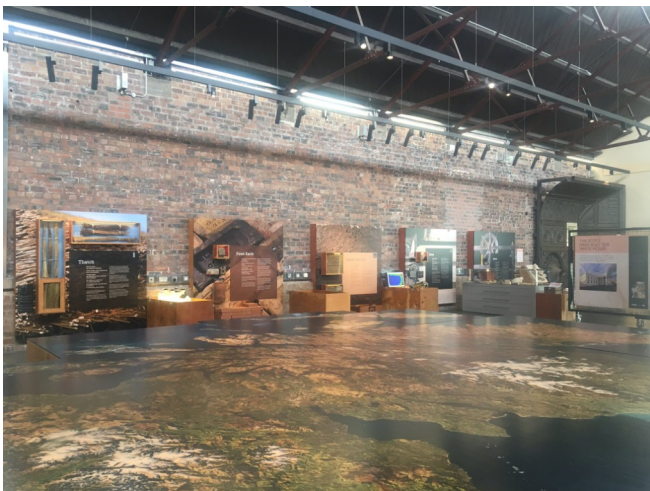

The first meeting of the HaTS group took place on 6th February at The Engine Shed, Stirling.

This meeting was well attended by most boards, the purpose of the meeting was to help identify pieces of work that should be carried out by the network and by whom. In order to help to establish the one and five year work plans for HaTS.

It was agreed that a Terms of Reference (ToR) will be created for the group at the first official Steering Group meeting after 1st April 2019.

A background of National Managed Networks and what their remit is was provided to the group.

It was agreed that The Engine Shed, Stirling was a good venue for all and that a Wednesday AM would be best suited for future meetings.

Main Hall, The Engine Shed

HaTS Events

It is hoped that there will be two HaTS events in 2019; a launch event after official designation of the network on 1st April 2019 and an Annual Event later in the year.

Any information regarding events will be posted on the HaTS website as and when available.

HaTS

Haematology &
Transfusion Scotland

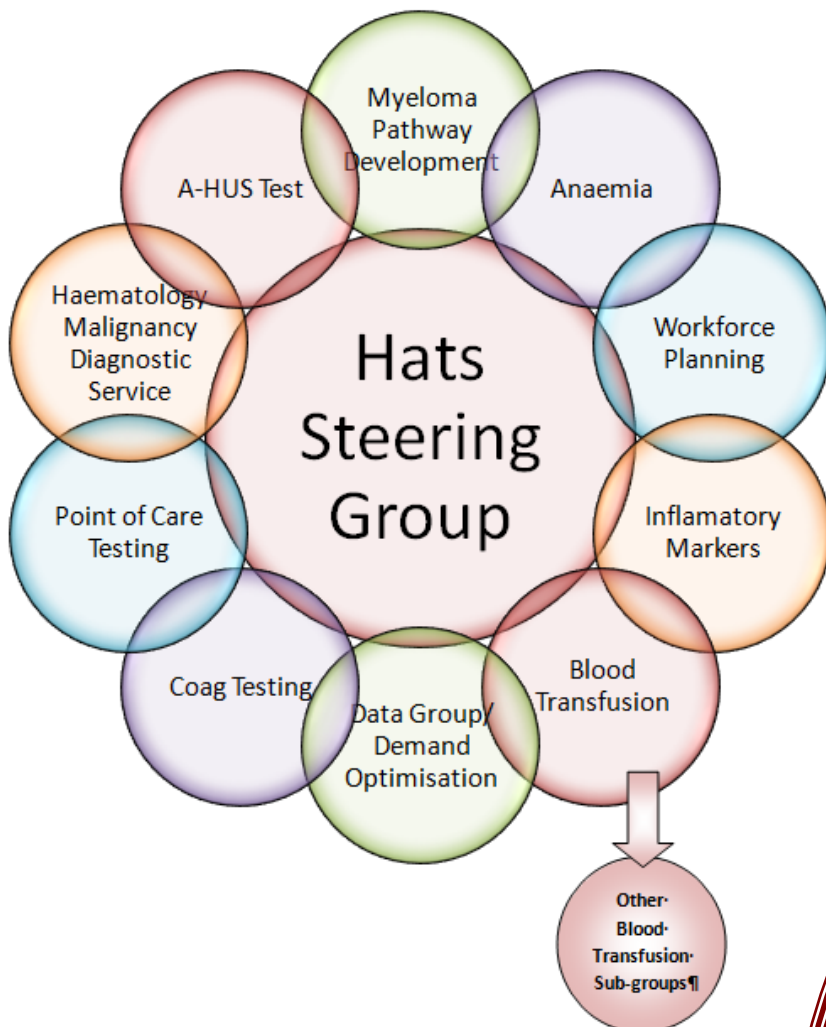

Steering Group

The table below illustrates the suggested HaTS Steering Group Sub-groups, which were agreed at the 6th February meeting. Members were suggested at the meeting however if you or a colleague would like to be involved in any of the groups please contact HaTS at nss.hats@nhs.net.

These groups will be integrated into the HaTS work plans.

Letters have been sent to each Board asking for one or two representatives to join the HaTS main Steering Group. If you would like to be involved please contact HaTS on nss.hats@nhs.net.

HaTS Website

Please note the HaTS website will initially be a work in progress .

If you would like to see anything on the website please get in touch with the [HaTS mailbox](#).
